#### **Notes:**

\*Students have flexibility in the selection of Core Curriculum courses based on the university class schedule.

PHL 1000 is a prerequisite for all other Philosophy courses except for the logic courses PHL 1400 , PHL 1500, and PHL 2500 which may be taken without prior coursework in Philosophy. Students planning to do graduate study in Philosophy are strongly urged to take more courses than the required 30 hours. The Philosophy faculty will work with students to select additional courses that will help prepare them for graduate work in the discipline.

ETH 3580 Health Care Ethics may count as three of the nine credits. POL 3800 Elements of Political Thought (3 credits) may be substituted for PHL 3010 Social and Political Philosophy (3 credits).

#### **Advising**

Students must meet with their academic advisor each semester to have their advising hold removed. This meeting is required in order to register for classes for the upcoming term.
